12 Aug 2021, 13:16
Doug Yeandle
Those ledges are buttery as, and you should always have bricks of wax with you where ever you go. 5 mins and it's skateable, come on guys. Hit that shit up, I definitely am when I'm over there next. There is such a nice manual pad too. And the 2 wooden benches that require now waxing and grind so nice. The nicest 3 piece to skate in Vegas at the moment. Hit bench, flat ground trick then second bench. Oh we on when I'm there next boys
Ted Stokes
Tried to hit you up ages ago for it

I was thinking of getting
boards in next since
I've got quite a bit of
clothes available on the
website.
My question is, would
y'all support and buy
from me instead of
backdoor?

Esp if I kept majority
if not all my boards at
\$100 flat?
Shamus Cross
I dont buy from
backdoor anyway
Ted Stokes
Would you buy from
me?
Shamus Cross
Depends on how good
your boards are
Otherwise im pretty
happy with shopping
through boardertown
If you board lasts longer
than 2 weeks with how
i skate, id probably buy
from you
I break boards on fakie
shuvs
Ted Stokes
I think the biggest
battle for me with decks
would be the ones I
have access too aren't
very known. FSC and
terminal 4 basically.
I wouldn't know their
durability until I had
them physically here
And a lot of people go
for the big brands
Shamus Cross
Make some trials
Give us some free trial
decks to test out
Well be the test dumbys
Ted Stokes
Yeaaaahhhh that won't
happen
Check out Voodoo Dist
on ig you'll see what I'm
able to stock

20 Sep 2021, 16:57
Ted Stokes
Yo imagine skateable objects in kuirau park along the footpaths It's smooth as and out of "town"
Council might consider bc itd keep us out the streets
Make streets spots away from the "streets"
Also, the concrete cut the ledges at the lakefront to stop us from hitting them
Butttttt
If we glued down some corner pieces with legs that slide into the cuts
We'd be able to grind them
Anyway I just submitted the idea to the council

21 Sep 2021, 08:19

Shamus Cross
Council gives no fucks about skateboarders

SKATE WISDOM

"Seeing the process of learning something and going through it, maybe that teaches you that all things are possible if you try and practice heaps"

(Chey Ataria 2008)

Legendary street skater / DEF MFG founder

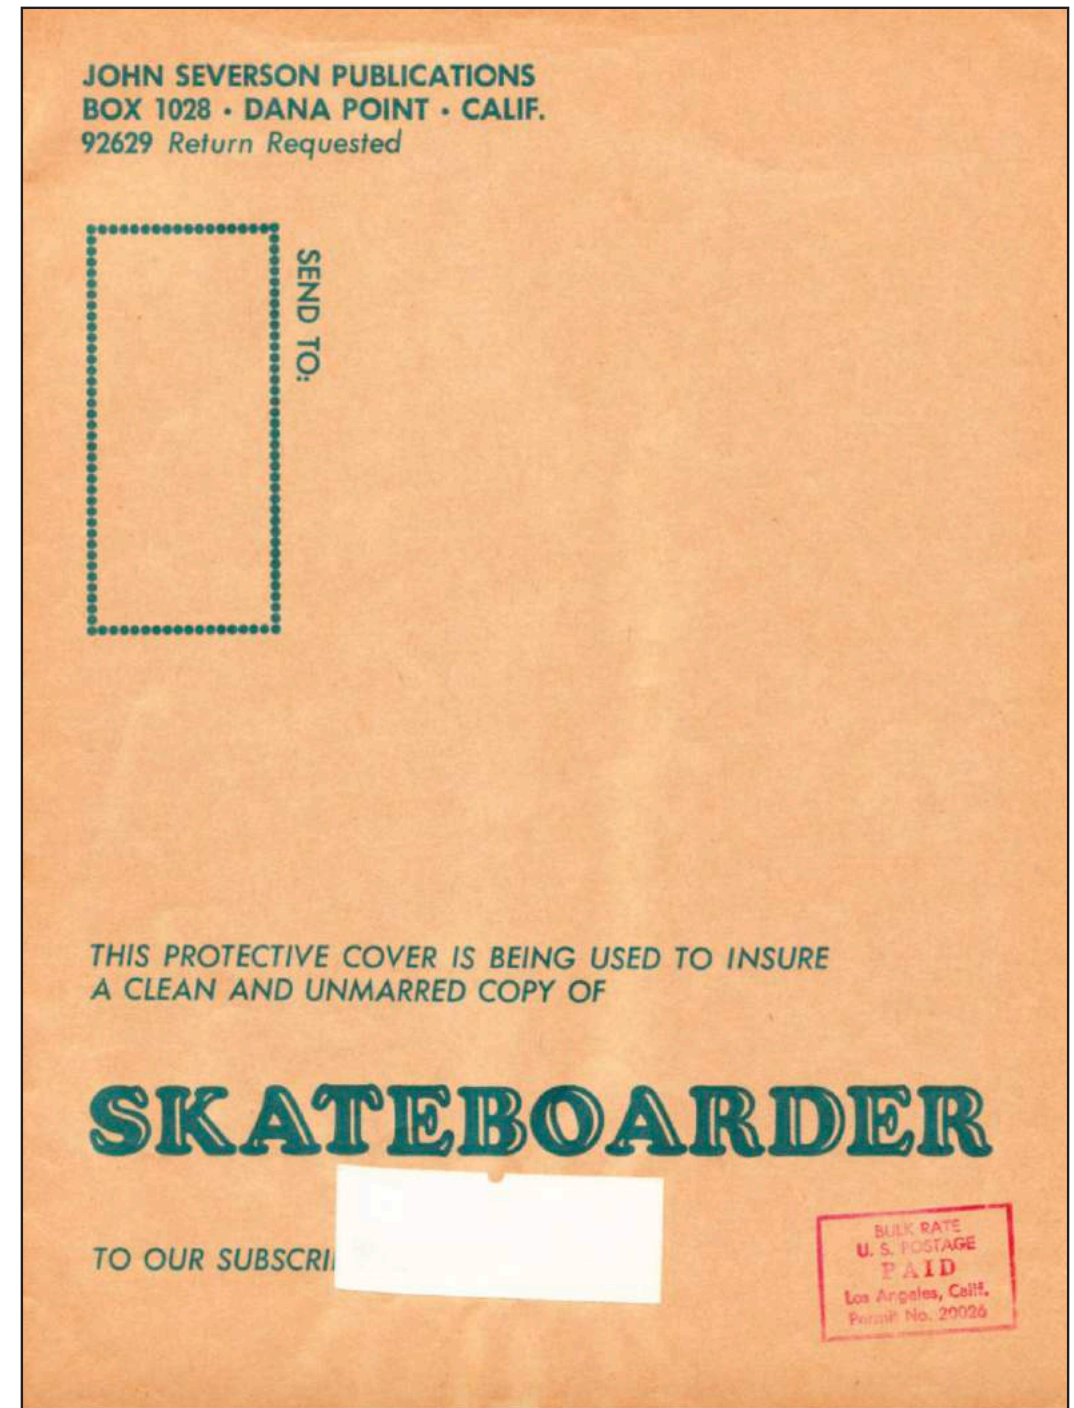

"Skateboarding creates your integrity you know, it gives you your outlook on life. Right and wrong. Beauty of skateboarding. There's only one right or wrong in a skaters mind. Wrong is that your feeling weak and there's some sort of negative buzz going on. Wipe that shit out, replace it with hard core and positive gear. That's what a skateboarder would do"
